Pete,
Allow me to clarify... This Brian Engrem, A.K.A SHU Paralegal... in the 2 years I have spent, and continue to spend, wrongfully in SHU/Max status; he has done everything in his power (as an employee of State of Delaware) to halt, discourage (by sending me my written law materials requests marked "can't find, not available, wrong citation etc", etc), force my filings to be dismissed as untimely" (past the court ordered deadline), refusal to provide copies saying "they are not considered legal materials, etc... these grievances I have been submitting to the DOC, (just like the numerous, numerous, others I have filed (I have 2 big folders filled) are not being addressed... 2 years + counting... I want redress

I want compensation, I want compensatory damages,
 I want punitive damages .. for the 2 years + of
 wrongful imprisonment, false imprisonment, physical
 as well as mental, emotional distress, I want Englem
 fired, just like Diane Plummer at SCTI was
 let go for barring me from her law library
 for taking of available state writing paper so
 I had paper to write on while I was seated at her
 table ... only to have a convict who was working at
 that library (right now I can't remember his name ... a
 big, white dummy with tats all over) yell at Diane
 "I want Cardone B written up for stealing state
 paper" ... well, she bared me ... a couple of months
 later, I put in for the (her) law library ... she was
 gone and the big dummy was still working there ...
 What's wrong w/ that picture? So, this Brian Englem
 needs to go talk w/ Diane ... maybe she can get
 him a job ...

Thank
 for letting
 me share ..
